Item 1. Jim Moffeit, Chairman of the Economic Development Board opened the Public Hearing concerning the proposed incentive of \$19,000.00 for proposed business related improvements for the Super Food Mart #7.

Stanley McCurley spoke in open forum asking the council to approve this incentive, he felt this business had already done a lot to improve the west side of town, and it would only encourage future business to this area.

Board members felt that because this business had already spent approximately \$80,000.00 on improvements granting this incentive would only help with drainage and other related improvements.

Jim Moffeit adjourned the meeting at 5:44pm
