Item 1. Galen Morrison, Chairman of the Economic Development Board opened the Public Hearing concerning the proposed allocation of \$125,000.00 for the purpose of building a new pavilion with restrooms and concession at Winchester Park.

Jim Moffeit, Executive Director of the Economic Development Corporation addressed the board reminding them that the project had been approved by EDC and the City Council but this was the required Public Hearing. He explained that these funds would match city funds for the construction of a new pavilion at Winchester Park with restrooms and concession area. He also explained the bid process to the board. No other public comments were made.

Galen Morrison adjourned the meeting at 6:14pm
