Re: POLICE EXPLORER MONTHLY REPORT FOR FEBRUARY

During the meetings held in February scenario training was conducted in Domestic Crisis Intervention and Gang Activity. Explorers covered all areas of law enforcement applicable to the scenarios.

2 explorer missed the first meeting due to an excused absence that was work related and one for a school activity. Explorer Tiffany Webber has decided to rejoin the Post and attended the meeting.

Community Service Award ribbon was awarded to Mario Ruiz for his completion of over 100 hours of community service.

The Chandler Police Explorers had two regularly scheduled meetings on the 4th and 18st of February. The February 4th meeting was canceled due to several Explorers being sick.

The Lions club can bin project was first started in October and the frame work has been completed. The project is currently stalled due to the Lions Club making a decision on the type of lattice to put on the bin which should be decided in February. The Explorers will be presenting the bin to the Lions Club sometime in March.

Community service project. Address at 608 Martin ST needs house numbers installed two explorers will be putting the house numbers on for Mr. Lee Godsey.

Kids fish Day on May 2nd from 9-12:30, Clean Up Day April 25th 8 to 12, Project Transformation April 11th, and the April 24th Chamber Golf Tournament.

The Police Explorers will be putting up an awards wall in the Police Department which will provide information about the program as well as its accomplishments. This project is scheduled to be completed by the middle of March.

The Explorers will be attending the first of many Police Explorer A this summer and plans d are already in work to ensure all available Explorers can attend.

Explorers completed Basic First Aid training in November and will become Basic First Aid certified before the summer. Both of these certifications along with training in civil defense or a community wide disaster training exercise are required for the Explorers to be awarded the Emergency Preparedness ribbon.

The next scheduled meeting is scheduled for March 4th and the 18th.

Donations will be collected during the week of Spring break by Officer Patterson and Chief Explorer Mario Ruiz.
